# Independent auditor's report

To the Board of Directors of  
**Ontario Agency for Health Protection and Promotion**

## Report on the audit of the financial statements

### Opinion

We have audited the financial statements of **Ontario Agency for Health Protection and Promotion** [operating as Public Health Ontario] ["OAHPP"], which comprise the statement of financial position as at March 31, 2023, and the statement of operations and changes in net deficit and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of OAHPP as at March 31, 2023, and its results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of OAHPP in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

We obtained the Annual Report prior to the date of this auditor's report. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing OAHPP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate OAHPP or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing OAHPP's financial reporting process.

### **Auditor’s responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OAHPP’s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on OAHPP’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause OAHPP to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Report on other legal and regulatory requirements**

As required by the *Corporations Act* (Ontario), we report that, in our opinion, Canadian public sector accounting standards have been applied on a basis consistent with that of the preceding year.

**Ontario Agency for Health Protection and Promotion**  
[operating as Public Health Ontario]

**Notes to financial statements**  
[in thousands of dollars]

March 31, 2023

**1. Description of the organization**

Ontario Agency for Health Protection and Promotion [operating as Public Health Ontario] ["OAHPP"] was established under the *Ontario Agency for Health Protection and Promotion Act, 2007* as a corporation without share capital. OAHPP's mandate is to enhance the protection and promotion of the health of Ontarians, contribute to efforts to reduce health inequities, provide scientific and technical advice and support to those working across sectors to protect and improve the health of Ontarians and to carry out and support activities, such as population health assessment, public health research, surveillance, epidemiology, planning and evaluation.

Under the *Ontario Agency for Health Protection and Promotion Act, 2007*, OAHPP is primarily funded by the Province of Ontario.

OAHPP, as an agency of the Crown, is exempt from income taxes.

**2. Summary of significant accounting policies**

These financial statements have been prepared in accordance with Canadian public sector accounting standards as established by the Public Sector ["PS"] Accounting Board of the Chartered Professional Accountants of Canada. OAHPP has elected to follow PS 4200-4270 in the *CPA Canada Public Sector Accounting Handbook*.

**Revenue recognition**

Contributions are recorded in the accounts when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted contributions are recognized as revenue when initially recorded in the accounts. Externally restricted contributions are recorded as deferred contributions or deferred capital contributions when initially recorded in the accounts and recognized as revenue in the period in which the related expenses are incurred.

**Capital assets**

Capital assets are recorded at acquisition cost. Contributed capital assets are recorded at fair market value as at the date of contribution. Amortization is provided on a straight-line basis based upon the estimated useful service lives of the assets as follows:

Building service equipment	5–30 years
Other equipment	5–10 years
Furniture	5–20 years
Leasehold improvements	Over the term of the lease

**Inventory and other supplies held for consumption**

Inventory and other supplies held for consumption are expensed when acquired.

## **Notes to financial statements**

[in thousands of dollars]

March 31, 2023

### **Asset retirement obligations**

Asset retirement obligations are recorded in the period during which a legal obligation associated with the retirement of a capital asset is incurred and when a reasonable estimate of this amount can be made. The asset retirement obligation is initially measured at the best estimate of the amount required to retire a capital asset at the financial statement date. A corresponding amount is added to the carrying amount of the related capital asset and is then amortized over its remaining useful life unless the asset was not recognized in the financial statements on initial recognition or is no longer in productive use, in which cases the asset retirement cost is expensed immediately. Changes in the liability due to the passage of time are recognized as an accretion expense in the statement of operations and changes in net deficit, with a corresponding increase in the liability.

The estimated amounts of future costs to retire the assets are reviewed annually and adjusted to reflect the then current best estimate of the liability. Adjustments may result from changes in the assumptions used to estimate the undiscounted cash flows required to settle the obligation, including changes in estimated probabilities, amounts and timing of settlement as well as changes in the legal requirements of the obligation, and in the discount rate. These changes are recognized as an increase or decrease in the carrying amount of the asset retirement obligation, with a corresponding adjustment to the carrying amount of the related asset. If the related capital asset was not recognized in the financial statement on initial recognition or the asset is no longer in productive use, all subsequent changes in the estimate of the liability for asset retirement obligations are recognized as an expense in the period incurred.

A liability continues to be recognized until it is settled or otherwise extinguished.

### **Employee future benefits**

Contributions to multi-employer, defined benefit pension plans are expensed on an accrual basis.

Other employee future benefits are non-pension benefits that are provided to certain employees and are accrued as the employees render the service necessary to earn these future benefits. The cost of these future benefits is actuarially determined using the projected unit credit method, prorated on service and management's best estimate of expected salary escalation and retirement ages of employees. Net actuarial gains and losses related to the employee future benefits are amortized over the average remaining service life of 10 years for the related employee group. Employee future benefit liabilities are discounted using the average interest cost for the Province of Ontario's net new debt obligations with maturities that correspond to the duration of the liability.

### **Allocation of expenses**

The costs of each function include the costs of personnel and other expenses that are directly related to the function. Building and information technology costs are attributed based on the number of people utilizing the space and technology application, where applicable. General support and other costs are not allocated.

### **Contributed materials and services**

Contributed materials and services are not recorded in the financial statements.

**Notes to financial statements**  
[in thousands of dollars]

March 31, 2023

**Financial instruments**

Financial instruments, including accounts receivable and accounts payable and accrued liabilities, are initially recorded at their fair value and are subsequently measured at cost, net of any provisions for impairment.

**Use of estimates**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities as at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Significant estimates and assumptions used in these financial statements require the exercise of judgment and are used for, but not limited to, salary and benefit accruals, employee future benefit plans [severance credits], the estimated useful lives of capital assets and asset retirement obligations. Actual results could differ from these estimates.

**Adoption of new accounting standard**

Effective April 1, 2022, OAHPP adopted the new accounting standard PS 3280, *Asset Retirement Obligations*, issued by the Canadian Public Sector Accounting Board. This standard provides guidance over the reporting of legal obligations associated with the retirement of capital assets that are either currently in productive use or no longer in productive use and controlled by the entity, and the costs associated with the retirement of these assets.

OAHPP adopted the standard using the modified retroactive approach, which uses assumptions and discount rates as of April 1, 2022. The asset retirement obligation is measured as of the date the legal obligations were incurred, adjusted for the accumulated accretion and amortization as of that date. As a result of adopting the new standard, the previously reported opening balance of unrestricted net deficit recorded in the statement of operations and changes in net deficit as at April 1, 2021 of nil was decreased by \$19,931 and the excess of revenue over expenses recorded in the statement of operations and changes in net deficit for the year ending March 31, 2022 of nil was reduced by \$638 for accretion expense, resulting in a net deficit of \$20,569. As at March 31, 2022, an asset retirement obligation and corresponding net deficit of \$20,569, respectively, were recorded in the statement of financial position. As the asset retirement obligation relates to leased buildings that do not qualify as capital leases, asset retirement costs were recognized immediately in net deficit.

**3. Accounts receivable**

Accounts receivable consist of the following:

	2023	2022
	\$	\$
Ministry of Health	789	789
Harmonized Sales Tax	1,219	1,479
Other	1,277	1,357
	<b>3,285</b>	<b>3,625</b>

**Ontario Agency for Health Protection and Promotion**  
[operating as Public Health Ontario]

**Notes to financial statements**  
[in thousands of dollars]

March 31, 2023

**4. Restricted cash**

[a] Restricted cash consists of the following:

	2023	2022
	\$	\$
Ministry of Health	4,613	4,637
Sheila Basrur Centre	31	30
	<b>4,644</b>	<b>4,667</b>

Restricted cash from the Ministry of Health ["MOH"] represents funding received in connection with the liability assumed by OAHPP in connection with severance credits [note 8[b]], other credits [primarily accrued vacation pay] related to employees who transferred to OAHPP [Ontario public health laboratories in 2008 and Public Health Architecture in 2011] and unspent cash pertaining to capital projects. Funds associated with severance and other credits are drawn down when transferred employees leave employment with OAHPP. Funds associated with capital projects are drawn down when capital assets are purchased.

[b] The continuity of MOH restricted cash is as follows:

	2023			
	Severance credits	Other credits	Capital projects	Total
	\$	\$	\$	\$
<b>Restricted cash, beginning of year</b>	1,328	1,024	2,285	4,637
Interest earned [note 6]	40	32	63	135
Restricted cash increase (drawdown) [note 8[b]]	(185)	45	(19)	(159)
<b>Restricted cash, end of year</b>	<b>1,183</b>	<b>1,101</b>	<b>2,329</b>	<b>4,613</b>
	2022			
	Severance credits	Other credits	Capital projects	Total
	\$	\$	\$	\$
<b>Restricted cash, beginning of year</b>	1,786	1,320	2,515	5,621
Interest earned [note 6]	11	8	14	33
Restricted cash drawdown [note 8[b]]	(469)	(304)	(244)	(1,017)
<b>Restricted cash, end of year</b>	<b>1,328</b>	<b>1,024</b>	<b>2,285</b>	<b>4,637</b>

**Notes to financial statements**  
 [in thousands of dollars]

March 31, 2023

**5. Capital assets**

Capital assets consist of the following:

	<b>2023</b>		
	<b>Cost</b>	<b>Accumulated amortization</b>	<b>Net book value</b>
	\$	\$	\$
Building service equipment	368	368	—
Other equipment	64,185	46,645	17,540
Furniture	4,039	3,916	123
Leasehold improvements	120,184	45,176	75,008
Construction in progress	3,115	—	3,115
	<b>191,891</b>	<b>96,105</b>	<b>95,786</b>

	<b>2022</b>		
	<b>Cost</b>	<b>Accumulated amortization</b>	<b>Net book value</b>
	\$	\$	\$
Building service equipment	368	368	—
Other equipment	61,719	40,592	21,127
Furniture	4,022	3,879	143
Leasehold improvements	120,166	39,165	81,001
Construction in progress	1,292	—	1,292
	<b>187,567</b>	<b>84,004</b>	<b>103,563</b>

**6. Deferred capital asset contributions**

Deferred capital asset contributions represent the unamortized amount of contributions received for the purchase of capital assets. The amortization of deferred capital asset contributions is recorded as revenue in the statement of operations and changes in net deficit. The continuity of the deferred capital asset contributions balance is as follows:

	<b>2023</b>	<b>2022</b>
	\$	\$
<b>Deferred capital asset contributions, beginning of year</b>	<b>105,848</b>	113,292
Contributions for capital purposes	4,744	4,197
Interest earned on unspent contributions [note 4[b]]	63	14
Amortization of deferred capital asset contributions	<b>(12,539)</b>	(11,655)
Deferred capital asset contributions, end of year	<b>98,116</b>	105,848
Unspent deferred capital asset contributions [note 4[b]]	<b>(2,329)</b>	(2,285)
<b>Deferred capital asset contributions spent on capital assets</b>	<b>95,787</b>	103,563

**Notes to financial statements**  
 [in thousands of dollars]

March 31, 2023

Restricted cash includes \$2,329 [2022 – \$2,285] [note 4[b]] related to unspent deferred capital asset contributions.

**7. Deferred contributions**

[a] Deferred contributions consist of unspent externally restricted grants and donations for the following purposes:

	<b>2023</b>	<b>2022</b>
	\$	\$
Severance credits	7	117
Sheela Basrur Centre [note 4[a]]	31	30
Third-party funds	<b>3,322</b>	3,120
	<b>3,360</b>	3,267

The continuity of deferred contributions is as follows:

	<b>2023</b>	<b>2022</b>
	\$	\$
<b>Deferred contributions, beginning of year</b>	<b>3,267</b>	3,241
Amounts received during the year	<b>2,206</b>	2,006
Amounts recognized as revenue during the year	<b>(2,113)</b>	(1,980)
<b>Deferred contributions, end of year</b>	<b>3,360</b>	3,267

[b] Deferred contributions for severance credits represent the difference between the restricted cash held for severance credits [note 4[b]] and the portion of the accrued benefit liability associated with service prior to the transfer of employees of the laboratories to OAHPP [note 8[b]].

[c] Deferred contributions for the Sheela Basrur Centre [the “Centre”] represent unspent funds held by OAHPP restricted for the Centre’s outreach programs. In addition to these funds, \$324 [2022 – \$317] is held by the Toronto Foundation for the benefit of the Centre and its programs.

Named after the late Dr. Sheela Basrur, a former Chief Medical Officer of Health for the Province of Ontario, the Centre was created to become a prominent provider of public health education and training.

**8. Employee future benefit plans**

**[a] Multi-employer pension plans**

Certain employees of OAHPP are members of the Ontario Public Service Employees Union [“OPSEU”] Pension Plan, the Healthcare of Ontario Pension Plan [“HOOPP”] or the Ontario Pension Board [“OPB”], which are multi-employer, defined benefit pension plans. These pension plans are accounted for as defined contribution plans. OAHPP contributions to the OPSEU Pension Plan, HOOPP and OPB during the year amounted to \$1,312 [2022 – \$1,353], \$5,963 [2022 – \$5,560] and \$376 [2022 – \$482], respectively, and are included in expenses in the statement of operations and changes in net deficit.

**Notes to financial statements**  
 [in thousands of dollars]

March 31, 2023

The most recent valuation for financial reporting purposes completed by OPSEU as at December 31, 2022 disclosed net assets available for benefits of \$24.6 billion with pension obligations of \$20.8 billion, resulting in a surplus of \$3.8 billion.

The most recent valuation for financial reporting purposes completed by HOOPP as at December 31, 2022 disclosed net assets available for benefits of \$103.7 billion with pension obligations of \$92.7 billion, resulting in a surplus of \$11 billion.

The most recent valuation for financial reporting purposes completed by OPB as at December 31, 2021 disclosed net assets available for benefits of \$33.9 billion with pension obligations of \$34.7 billion, resulting in a deficit of \$0.8 billion.

**[b] Severance credits**

OAHPP assumed the unfunded non-pension post-employment defined benefit plans provided to employees from the Government of Ontario as part of the transfer of employees from Ontario public health laboratories [in 2008] and Public Health Architecture [in 2011]. These defined benefit plans provide a lump sum payment paid on retirement to certain employees related to years of service. The latest actuarial valuation for the non-pension defined benefit plans for the remaining eligible employees was performed as at March 31, 2021. OAHPP measures its accrued benefit obligation for accounting purposes as at March 31 of each year based on an extrapolation from the latest actuarial valuation.

Additional information on the benefit plans is as follows:

	<b>2023</b>	<b>2022</b>
	\$	\$
Accrued benefit obligation	<b>1,756</b>	1,988
Unamortized actuarial (losses)/ gains	<b>83</b>	(45)
<b>Total accrued benefit liability</b>	<b>1,839</b>	1,943

The continuity of the accrued benefit liability as at March 31 is as follows:

	<b>2023</b>	<b>2022</b>
	\$	\$
<b>Accrued benefit liability, beginning of year</b>	<b>1,943</b>	2,324
Expense for the year	<b>81</b>	88
Contributions to cover benefits paid [note 4[b]]	<b>(185)</b>	(469)
<b>Accrued benefit liability, end of year</b>	<b>1,839</b>	1,943

**Ontario Agency for Health Protection and Promotion**  
 [operating as Public Health Ontario]

**Notes to financial statements**  
 [in thousands of dollars]

March 31, 2023

The significant actuarial assumptions adopted in measuring OAHPP's accrued benefit obligation and expense are as follows:

	<b>2023</b>	<b>2022</b>
	%	%
Accrued benefit obligation		
Discount rate	<b>3.80</b>	3.20
Rate of compensation increase	<b>2.25</b>	2.25
Rate of inflation	<b>2.00</b>	2.00
Expense		
Discount rate	<b>3.20</b>	2.40
Rate of compensation increase	<b>2.25</b>	2.25
Rate of inflation	<b>2.00</b>	2.00

**9. Directors' remuneration**

The Government Appointees Directive requires the disclosure of remuneration paid to directors. During the year ended March 31, 2023, directors were paid \$4 [2022 – \$14].

**10. Asset retirement obligation**

The asset retirement obligation relates to the estimated costs required to exit OAHPP's leased buildings, excluding remediating asbestos costs as these are the liability of the lessor. The cost estimates are based on internal expert assessments and third-party engineering reports.

OAHPP has estimated total undiscounted expenditures of \$32,003 to retire these assets. No set retirement dates have been determined; however, they are estimated to be incurred and settled in approximately 15 years from the current fiscal year end. OAHPP calculated the asset retirement obligation by applying an inflation rate of 2.2% to the estimated costs, which were then discounted using a discount rate of 3.2%. No retirement costs were incurred during the years ended March 31, 2023 and 2022.

The continuity of the asset retirement obligation is as follows:

	<b>2023</b>	<b>2022</b>
	\$	\$
		<i>[restated – note 2]</i>
<b>Asset retirement obligation, beginning of year</b>	<b>20,569</b>	19,931
Accretion expense	<b>658</b>	638
<b>Asset retirement obligation, end of year</b>	<b>21,227</b>	20,569

### **11. Related party transactions**

OAHPP is controlled by the Province of Ontario through the MOH and is therefore a related party to other organizations that are controlled by or subject to significant influence by the Province of Ontario. Transactions with these related parties are outlined below.

All related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed by the related parties.

- [a] OAHPP has entered into transfer payment agreements with various related parties. Under these agreements, OAHPP makes payments to these parties once defined eligibility requirements have been met. Expenses for the year include transfer payments of \$719 [2022 – \$511], which are recorded in science and public health programs in the statement of operations and changes in net deficit.
- [b] OAHPP incurred costs of \$18,991 [2022 – \$19,105] for the rental of office space and other facility-related expenses from Ontario Infrastructure and Lands Corporation, and information technology services and support costs of \$6,996 [2022 – \$6,151] from the Minister of Finance. These transactions are recorded in public health laboratory program, science and public health programs or general and administration expenses in the statement of operations and changes in net deficit.
- [c] OAHPP incurred costs of \$729 [2022 – \$793] with various related parties for other contracted services, including legal and laboratory testing. These transactions are recorded in public health laboratory program, science and public health programs or general and administration expenses in the statement of operations and changes in net deficit.

### **12. Supplemental cash flow information**

The change in accounts payable and accrued liabilities is adjusted for capital assets received but not paid of \$1,232 as at March 31, 2023 [2022 – \$400].

The change in accounts receivable is adjusted for contributions for capital assets receivable but not received of \$789 as at March 31, 2023 [2022 – \$789].

### **13. Commitments and contingencies**

- [a] Under the Laboratories Transfer Agreement, MOH is responsible for all obligations and liabilities in respect of the public health laboratories that existed as at the transfer date, or that may arise thereafter and have a cause of action that existed prior to the transfer date of December 15, 2008.
- [b] OAHPP is a member of the Healthcare Insurance Reciprocal of Canada ["HIROC"]. HIROC is a pooling of the liability insurance risks of its members. Members of the pool pay annual deposit premiums that are actuarially determined and are expensed in the current year. These premiums are subject to further assessment for experience gains and losses, by the pool, for prior years in which OAHPP participated. As at March 31, 2023, no assessments have been received.

**Notes to financial statements**  
 [in thousands of dollars]

March 31, 2023

[c] OAHPP has committed future minimum annual payments related to premises as follows:

	\$
2024	19,009
2025	16,347
2026	15,911
2027	15,667
2028	14,349
Thereafter	163,490
	<u>244,773</u>

[d] OAHPP has contractual commitments totalling \$127,056 related to the purchase of medical supplies.

[e] On November 8, 2019, the Ontario legislature passed Bill 124. The legislation imposed a series of three-year moderation periods. During moderation periods, increases to salaries and total compensation were capped at 1% per year subject to certain exceptions. On November 29, 2022, Bill 124 was successfully challenged in court by a coalition of impacted unions and was struck down by the Ontario Superior Court as it was deemed to infringe on their right of freedom of association and collective bargaining. As the unions disagreed with Bill 124 from its inception and to not stall negotiations at the time, union contracts included monetary reopening clauses that the unions are now exercising. As such, OAHPP has included a provision in accounts payable and accrued liabilities and an expense in compensation as at March 31, 2023.

**14. COVID-19**

On March 11, 2020, the World Health Organization characterized the outbreak of a strain of the novel coronavirus [“COVID-19”] as a pandemic, which has resulted in a series of public health and emergency measures that have been put into place to combat the spread of the virus. COVID-19 mitigation measures significantly disrupted supply chains, economic activity and the daily lifestyle of every individual and emphasized public reliance on the continued and proper functioning of healthcare systems of which OAHPP is an integral and essential element. As a result of OAHPP’s COVID-19 response efforts, implemented as early as January 2020, OAHPP is continuing to experience an increasing demand for its services.

To the extent that OAHPP has continued to incur COVID-19 related expenditures, the Province of Ontario has committed to reimbursing incremental costs incurred by OAHPP to monitor, detect and contain COVID-19 within the province. OAHPP has recognized \$54,641 [2022 – \$101,300] in operating expenses and \$1,037 [2022 – \$1,500] on in equipment purchases totalling \$55,678 [2022 – \$102,800] of COVID-19 related expenditures during the year. OAHPP has recognized a corresponding amount of revenue and deferred capital contributions, respectively, related to these expenditures. As at March 31, 2023, accounts payable and accrued liabilities include \$48,273 [2022 – \$95,700] due to the Province of Ontario for surplus funding received for COVID-19 related expenditures and associated interest income.
